GOVERNOR

GREETINGS FROM THE GOVERNOR

It is with pride and enthusiasm that I invite your participation in the 85th annual State Fair.

With larger and finer facilities for your service and pleasure, the State Fair enters still another interesting and exciting era in 1952. Competition in certain livestock and other departments is being opened this year to "The World." We welcome our friends and neighbors from outside the borders of North Carolina to share with us our annual fall festival of progress in agriculture, industry, commerce, education, and the cultural arts. May all who participate in the Fair, as exhibitors and as spectators, be enriched by the opportunities to renew old acquaintances, make new ones, exchange ideas, gain new knowledge, and enjoy the many inspirational, recreational, and entertainment features.

As I prepare to return to the ranks of private citizens, I recall my first participation in the State Fair more than half a century ago, as a boy exhibiting a few ears of popcorn. I pledge my continued interest and patronage of the Fair and commend it to others as the greatest of all annual get-togethers in North Carolina for a reflection of the yesterdays, the accomplishments of today, and the trend of the tomorrows in our State.

Finally, I salute those who have joined with us in making the State Fairgrounds a year 'round meeting place for men, women, and the youth to mirror their individual and group accomplishments, and a panoramic center of the inexhaustible resources of North Carolina.

Sincerely,

A handwritten signature in dark ink, reading "W. Kerr Scott". The signature is written in a cursive style with a long, sweeping underline.

W. KERR SCOTT, *Governor*

State of North Carolina

L. Y. BALLENTINE
COMMISSIONER

Department of Agriculture

Raleigh

To the People of North Carolina:

We are happy that we can welcome you to a bigger and better State Fair in 1952. There will be more for you to see, enjoy and learn at this year's inspiring spectacle of North Carolina's accomplishments.

Most of the expanded and improved facilities are expected to be available for your use, convenience and enjoyment during Fair Week. These will include the beautiful new livestock judging and exhibition arena, the fine new Youth Center, other new and modernized buildings, added outdoor exhibit and display space, and greatly enlarged, more accessible parking lots. I know that all these and the other vast improvements will meet with your enthusiasm, especially as they will afford the State a year-round educational, inspirational and recreational center.

Even more important to the Fair itself are the additions and revisions made in the premium lists to make the friendly competition a more comprehensive portrayal of the wealth of North Carolina's soil and the creative and productive capacities of her people. More than ever before, the State Fair will be a magnificent show window through which the people of North Carolina can profit from the experiences and achievements of each other.

We want the Fair to be a lot of fun for everybody...a place to relax...a milestone of progress...a festival of the facts that make North Carolina the "No. 1 State in the South"...a meeting place for the exchange of information and ideas.

This is, therefore, a warm and cordial invitation to participate in the 1952 State Fair, as an exhibitor and as a spectator. Enjoy the simple and honest neighborliness which this event fosters. Your suggestions for making this educational and recreational facility grow in usefulness to the people of North Carolina on a year-round basis will be gratefully received.

Very cordially,

Special Premium Offer:

THE NORTH CAROLINA STATE FAIR

Salutes!

COMMUNITY, COUNTY, SECTIONAL AND REGIONAL FAIRS

Realizing that the success of the State Fair depends to a great extent on the support and successes of the Community, County, Sectional and Regional Fairs held throughout North Carolina, the Management of the State Fair makes the following offer to encourage other fairs:

1. THE STATE FAIR WILL PAY TWICE THE PREMIUM WON AT A COMMUNITY, COUNTY, SECTIONAL OR REGIONAL FAIR FOR AN OUTSTANDING EXHIBIT BROUGHT TO THE 1952 STATE FAIR, providing:

- (a) Such exhibit is approved by a committee of three persons: (1) a representative of the State Fair; (2) a representative of the N. C. Department of Agriculture; and (3) the Manager of the Community, County, Sectional or Regional Fair;
- (b) Such premium to be paid by the State Fair does not exceed \$200;
- (c) The exhibit does not require more than 100 square feet of display space;
- (d) Application for entry of such an exhibit at the 1952 State Fair is signed by the local Fair Manager and submitted prior to October 8, 1952, and such application includes complete information as to the type and size of the exhibit (with a photograph, if possible), the prize won at the local Fair, and the name and address of the exhibitor;
- (e) Unless unusual circumstances prevail, where the exhibit would not be eligible for or would not normally be entered in the State Fair, individual and/or group entries of livestock and poultry are not eligible for this special State Fair premium offer.

2. WHERE THE NATURE OF THE EXHIBIT REQUIRES THAT IT BE ACCOMPANIED TO THE STATE FAIR BY THE EXHIBITOR FOR THE PURPOSE OF ARRANGEMENT OR DEMONSTRATION, THE STATE FAIR WILL PAY THE TRAVEL EXPENSES OF ONE PERSON FROM HIS OR HER HOME TO RALEIGH AND RETURN, providing:

- (a) Such travel expenses will be paid on the basis of seven (7) cents per mile.

INFORMATION AND GENERAL RULES

FOR EXHIBITORS AND PATRONS

Exhibitors and patrons are sincerely requested to make constructive criticisms and offer helpful suggestions toward bettering any part or department of this, YOUR STATE FAIR.

Please report any discourtesies by gatemen, concessionaires, showmen, or others connected with the Fair. If, for any reason, there is a misunderstanding about admission at gates or elsewhere, please pay the admission price asked, take a receipt for same, and come direct to the Manager's office. Please do not block traffic and delay others by prolonged arguments with ticket-sellers, gatemen and ticket-takers who are working on strict orders from the management and are not allowed to vary from them.

Concessions and attractions are granted privileges on the grounds to supply the necessary wants, comforts, conveniences and pleasures of the patrons. The management will not accept or knowingly allow the continuance of any concession, show or other attraction of a questionable nature or a demoralizing tendency, nor will any concession be permitted where the business is conducted in other than a legitimate and legal manner.

Drunkenness, quarreling, or the use of profane or obscene language will not be allowed on the grounds. No begging will be permitted.

No peddling, hawking or selling of any kind will be allowed in the buildings or on the grounds except by special license obtained from the Manager.

All dining halls, lunch stands, refreshment booths and other places dispensing food and beverage must be substantial in structure and neat in appearance. They must meet all health regulations and must sell only good, wholesome food and pure honest goods at reasonable prices which must be approved by the Fair management and displayed in a prominent place.

The management of the State Fair reserves the right to amend, add to and interpret the foregoing and following Rules and Regulations, and to arbitrarily settle and determine all questions and differences in regard thereto, or otherwise arising out of, connected with, or incident to the Fair. In the event of conflict between the General Rules and the special rules which appear as headnotes of the various divisions and departments of the Fair, the latter will take precedence.

Disregard of any rule, or misrepresentation, on the part of the exhibitor, concessionaire or patrons will forfeit all premiums won, privileges granted, fees paid, and rights to further participation in the Fair.

The Southern Bell Telephone Company will maintain complete service and toll stations at convenient points on the Fairgrounds.

Western Union will maintain an office and complete telegraph service on the grounds.

An Information Bureau and office for reporting and recovery of lost and found articles will be maintained at the Main Office of the Fair. This service is free and will be cheerfully given. Please do not ask for the use of the Public Address System to locate "lost" persons except small children and in emergencies, or where school bus drivers and other group leaders desire to announce departure times.

An office for the use and convenience of representatives of the Press, and Radio and Television Stations, will be maintained with telephones, typewriters, and other facilities. It will be a pleasure to supply authentic information of news value about the Fair, including lists of premium awards and photographs. Arrangements may be made in advance for special Press, Radio and Television coverage of the Fair by competent trained personnel.

Comfort station facilities, for men and women, and for white and Negro patrons, have been more than doubled since last year's Fair. Attendants are not allowed to charge for use of these facilities.

In order for the State Fair to maintain a complete file of pictures for the use of Press and Television services, exhibitors and patrons are requested to cooperate with the Official Photographer of the Fair. Exhibitors are under no obligation to purchase pictures, but may arrange directly with the photographer for this service if they so desire.

Decoration and sign painting service, at nominal charges, will be available to exhibitors and can be arranged through the Information Desk at the Manager's office.

A feed and forage concession will be operated for livestock exhibitors. Grain, hay, straw and other supplies will be available at prevailing prices. The Fair will furnish free the original bedding for each stall and pen, but exhibitors are required to care for and feed their own animals and they must keep stalls and pens clean and well bedded thereafter.

The State Fair will employ police, guards and traffic directors, and will use diligence to promote safety and protection of patrons, and their exhibits and property on the Fairgrounds. But, under no circumstances will the Fair or any of its officers and employees be responsible for loss or damage to persons and their property (including exhibits, automobiles in parking lots, and articles left in cars) because of accidents, theft, fire, the elements, or other conditions.

All exhibitors are urged to personally bring their exhibits to the Fair and enjoy the educational and recreational advantages of the annual exposition. However, exhibits may be shipped or mailed to: MANAGER, N. C. STATE FAIR, P. O. BOX 1388, RALEIGH, N. C., and they will be carefully handled, officially entered, tagged, and otherwise treated in the same manner as previously described. They will be given the same consideration with regard to display and judging as exhibits personally delivered.

All exhibits shipped or mailed **MUST BE PREPAID**. No transportation charges for express, postage, freight or drayage will be paid by the Fair. Shipments should be carefully labeled, accompanied by a bill of lading, and properly identified inside and outside the package as to the department, class and premium number under which they have been previously entered. They should be shipped or mailed at least a week or 10 days prior to the opening of the Fair. The management will not be responsible for delayed shipments which arrive at the Fair too late to be considered in the judging.

All carload shipments by freight, for exhibition purposes, should be billed as follows: FOR EXHIBIT, N. C. STATE FAIR, CAMP POLK, N. C., % S.A.L. RAILWAY, Exhibits so billed will be delivered to the Fairgrounds without extra switching charges. Attention of exhibitors is called to tariff rules, governing the shipment of certain types of articles for exhibition at expositions and fairs, and providing for free return of such exhibits when accompanied by a certificate from the Manager of the Fair certifying that such shipment was on exhibition and ownership of same has not changed. Intending exhibitors should consult their local freight agent for particulars governing Fair shipments, as some types of exhibit material are not returned free and other conditions enter in if shipment is not returned direct. If your local agent is not able to give you full particulars, write the Manager of the State Fair.

Division and Department Superintendents and Directors will have full authority over allocation of space, and will have direct supervision of all exhibits which are considered on exhibition as a part of the Fair's attractions, subject to use as these Superintendents and Directors see fit to add to the educational values of the Fair. Livestock able to be led or driven, or which will follow, must participate in parades and group exhibitions as directed by the Department Superintendent.

All livestock must be cared for by the exhibitor. Stalls and pens will be bedded before the Fair, free of charge. Thereafter exhibitors will be required to furnish their own bedding and keep all stalls and pens clean. Feed and straw will be sold on the grounds at prevailing prices.

When exhibit tags are issued by the Entry Department for each article or animal entered, a stub with a duplicate number will be given the exhibitor to serve as his claim check to recover and secure the release of his exhibit. This claim check may be presented to gain free admission to the Fairgrounds on Saturday, October 18, 1952, the closing day of the Fair. Claim checks should be guarded carefully, since Department Superintendents and Directors are not allowed to release any exhibit without presentation of the exhibit tag stub. If the claim check is lost, such loss should be reported promptly and it will be necessary for the exhibitor to furnish the Director of the Entry Department proof of ownership of the article or animal on exhibit.

Exhibits entered in the premium classes which are not claimed within one week after the close of the Fair will be considered to have been abandoned by the exhibitor and will be disposed of as the Manager of the Fair sees fit. Other exhibits, and materials therein, including concession booths, which are not claimed by the exhibitor or concessionaire within 30 days after the end of the Fair will be considered to have been abandoned and will become the property of the State Fair.

See why so many FARMERS prefer it!

Ask a V-C Agent to show you some V-C Fertilizer. Look at the rich color of this properly-cured, superior blend of better plant foods. Run your hands down into the smooth, mellow mixture and let it pour through your fingers. It's mealy, loose and dry.

V-C Fertilizer is famous for its crop-producing power and its easy-drilling quality. It flows through fertilizer distributors smoothly and evenly with no caking, clogging or bridging.

The better plant foods in V-C Fertilizer are carefully selected and proportioned to become available according to the feeding schedule of the crop. That's why a V-C crop gets off to an early start of rapid growth...and then stays on the job, green and growing, vigorous and productive.

V-C Agronomists use Experiment Station and Extension Service recommendations and practical farm experience in determining the right V-C Fertilizer for each crop.

Every bag of V-C Fertilizer has behind it the research, skill, experience and resources of a national organization which has manufactured better fertilizers since 1895.

You will know why so many farmers prefer V-C Fertilizer when you see what a big difference this better fertilizer makes in crop yields and crop profits.

The Fair management reserves the right to reject any exhibit which does not reflect merit and which would not be a credit to both the exhibitor and the Fair. Also, the right is reserved to reject exhibits which are deemed objectionable or unsuitable for exhibition. All entries are accepted conditionally, pending inspection of the article or animal to be exhibited. Any article or animal which proves to be misrepresented or falsely classed will be rejected and the right of the exhibitor to further participation in the Fair will be denied.

Promiscuous advertising is strictly prohibited. Exhibitors may advertise and distribute literature and free samples from their place of exhibit only, but may not sell any article or animal from their exhibit space without a permit from the Manager. The distribution of advertising matter which conflicts in any manner with a concession sold by the Management is prohibited.

Commercial exhibitors and concessionaires are responsible for keeping the space in and around their exhibits, including unused space, aisles and roadways, clean and free of rubbish.

No exhibit space assigned may be shared or sub-let without permission of the Fair manager.

Exhibitors and Department Superintendents and Directors may have the exclusive use of the lawn in front of the Educational and Commercial exhibit buildings for parking until midnight, Monday, October 13, 1952. Special parking facilities for the Livestock and Poultry Divisions will be provided this year at the west end of the Fairgrounds.

JUDGING AND AWARDS

Decision of the judges will be final, and no appeal will be considered except in cases of protest in writing, with strong evidence of fraud or violation of the rules of the Fair. Protests must be filed with the Division Superintendent not later than noon of the day following the award, and must be accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained. The Division Superintendent will appoint a committee to consider the protest and all interested parties will be notified of the time of the hearing and will be given an opportunity to be heard. The rules of the International Association of Fairs and Expositions governing appeals will be those of the North Carolina State Fair.

Judges will not award premiums to any article or animal because of its mere presence. It must be individually worthy. It is not the policy of the Fair to encourage indifferent production of any kind, or to distribute premiums equally among exhibitors. No premium will be awarded to any exhibit that does not possess high intrinsic merit.

Unless otherwise specified in the Department Rules and Regulations, NO EXHIBITOR MAY WIN MORE THAN TWO PREMIUMS IN ANY ONE INDIVIDUAL CLASS, AND NOT MORE THAN ONE PREMIUM IN ANY GROUP CLASS.

No exhibitor may accompany judges during their deliberations except such attendants as are necessary to handle and show livestock and other such exhibits. Any exhibitor attempting to interfere with the judges during their adjudications, or who publicly expresses disapproval of the decision of the judges, will be excluded from further competition and any premiums previously won will be forfeited.

Fraud or deception as to breeding, or in any other form, will be exposed and the exhibitor guilty of such violation will be excluded from further participation in the Fair, and all premiums previously won will be forfeited.

Premiums will be paid only on the basis of the records of the judging reports, which will be signed by the judge and by the Department Superintendent or Director. Ribbons will be securely attached to the articles upon which they were awarded, if possible, but the ribbons have no value in the payment of premiums since they may become detached and find their way on to the wrong exhibit.

Entries made in wrong classes may be reclassified by the Department Superintendent or Director, **BUT ONLY IF SUCH RECLASSIFICATION IS MADE IN THE OFFICE OF, AND WITH THE APPROVAL OF, THE DIRECTOR OF THE ENTRY DEPARTMENT.** Records must be changed when entries are reclassified. If the records are altered and the entry department files are not changed, premiums will be withheld.

Judges, when requested, may give the reasons for their decisions embracing the value and desirable qualities of the exhibits to which they have awarded premiums.

Judges will not award premiums or ribbons to any article or animal that does not qualify for one of the classes in the State Fair Premium List.

Premiums will be paid to winning exhibitors as soon after the awards are made as it is possible to compile and check all reports. Premiums not collected during the Fair will be mailed to the exhibitor at the post office address given on his entry form. Errors in premium statements will be corrected until December 1, 1952, after which time the books of the 1952 Fair are closed.

The following colors of ribbons will be used to designate awards:

**Mr. Roy Averette,

"I have been using Florence-Mayo curers for a number of years, and since using them have had the best cures since farming. I have used other types of curers but switched to Florence-Mayo when I saw what they can do for both quality and cost."

40% of the N. C. State Fair 1950 Exhibit prizes awarded for Flue Cured Tobacco went to users of Florence-Mayo Air Conditioning Tobacco Curers!

★ Because the air is brought into the barn directly over the flame under the hood, or heat spreader, the air is properly heated, or "conditioned" before being released up through the tobacco.

★ Air Conditioning means Better Quality and lower curing costs. Air Conditioning eliminates "hot" and "cold" spots. It reduces "sponging." Ask the farmers who use Florence-Mayo!

Other manufacturers have made Air-Conditioning Curers, but courts of law stopped them because they infringed the Mayo Reissue Patent No. 22221. Only Florence-Mayo can make an Air Conditioning Tobacco Curer as illustrated above.

“North Carolina Accepts The Challenge”

THROUGH A UNITED AGRICULTURAL PROGRAM

Department “A”

Committee in Charge:

MR. E. B. GARRETT, *State Conservationist, U. S. Soil Conservation Service (Chairman)*
 MR. R. FLAKE SHAW, *Executive Vice-President, N. C. Farm Bureau Federation*
 MR. H. B. CALDWELL, *Master, The State Grange*
 MR. J. B. SLACK, *Director, Farmers Home Administration, U.S.D.A.*
 MR. A. L. TEACHEY, *State Supervisor, Agricultural Education, Division of Vocational Teaching*

As a new feature of the North Carolina State Fair in 1952, this department is being devoted to the United Agricultural program through which North Carolina has accepted “THE CHALLENGE” for: (1) Increased Per Capita Income; (2) Greater Security; (3) Improved Educational Opportunities; (4) Finer Spiritual Values; (5) Stronger Community Life; and (6) More Dignity and Contentment in Country Living.

The North Carolina Board of Farm Organizations and Agencies, which is sponsoring “The Challenge Program”, has invited five counties to arrange and present exhibits depicting their programs for Better Farming and Better Rural Farm Living. These counties, one from each of five areas established for the program, are:

AREA 1—Haywood County.	AREA 4—Rockingham County.
AREA 2—Cleveland County.	AREA 5—Pitt County.
AREA 3—Pender County.	

The five counties were invited on the basis of recommendations of the district representatives of the following organizations and agencies which comprise the North Carolina Board of Farm Organizations and Agencies: N. C. Department of Agriculture, N. C. Department of Conservation and Development, N. C. Farm Bureau Federation, Farmers Home Administration, Production and Marketing Administration, Division of Vocational Teaching of the N. C. Department of Public Instruction, N. C. Rural Electrification Authority, Soil Conservation Service, the State Grange, and the Agricultural Experiment Station and Agricultural Extension Service of N. C. State College.

To encourage this United Agricultural Program, the State Fair offers the following cash awards to the five counties for the best exhibits, centered around one or more of the objectives of the program, showing how the county, or one of its communities, is meeting and plans to further meet “THE CHALLENGE”.

They will show something of the economic, social, physical, and recreational growth and development of farm boys and girls enrolled in 4-H Club work. Two counties from each of the six Extension Service districts which have excelled in club work will be invited to arrange and present exhibits designed to show a specific 4-H project or activity.

All entries shall have been produced by the exhibitor or his family.

Misrepresentations

Obvious misrepresentation or mislabeling of an entry shall be just cause for disregard of such entry prior to the time of judging. Samples of seed will be collected for determination of seed viability and varietal purity.

Misrepresentation by any exhibitor who has previously been cautioned against misrepresentation by the Superintendent or any Director of this department will constitute just cause for disregard of **ALL ENTRIES MADE IN THIS DEPARTMENT BY EITHER THE EXHIBITOR OR ANY MEMBERS OF HIS OR HER FAMILY.**

No premium will be awarded in any of the classes if, in the opinion of the Directors, the exhibits are not true to class or are otherwise misrepresented, or are of low quality.

Delivery and Mailing Instructions

If entries are received sufficiently in advance of the Fair to permit mailing, Entry Tags will be forwarded to exhibitors at their home address; otherwise, these Entry Tags should be picked up at the Entry Department immediately upon arrival on the Fairgrounds. An Entry Tag must be attached to each exhibit before it is presented in the Department for display.

Where it is not possible to personally bring the exhibit material to the Fair, shipments should be addressed to: Superintendent, Field Crops Department, N. C. State Fair, P. O. Box 1388, Raleigh, N. C. Each shipment should be plainly labeled on the outside and inside of the package with the exhibitor's name and address, the class and premium number under which entered, and the nature of the contents of the package. **REMEMBER!** An exhibit must be entered prior to Saturday, October 11, 1952, at 6:00 p.m., before it will be accepted for display, and it must be on hand at the Fair before Monday, October 13, 1952, at 6:00 p.m., to be considered for judging.

Exhibitors and personnel in this department will have use of the lawn in front of the Educational Building until midnight, Monday, October 13, 1952.

For additional entry application forms and additional information, write: **MANAGER, N. C. STATE FAIR, P. O. Box 1388, Raleigh, N. C.**

SPECIAL EXHIBITS AND CONTESTS

As a new feature of this department in 1952, the Agronomy Department of North Carolina State College will arrange various educational exhibits and, through the cooperation of Agronomy students at State College, will conduct contests in which prizes will be awarded to spectators and other patrons of the Fair. The Management of the State Fair is proud to cooperate in this educational enterprise by making available prize money to be distributed.

One of the feature education exhibits will be a "Growing Forage Crops Demonstration" on the lawn in front of the Commercial Building. In this plot, a variety of grasses, legumes and other forage crops have been planted—including 15 or 20 different crops which spectators will have the opportunity to identify in a contest. The results of a recommended pasture mixture also will be portrayed.

Tobacco Grading Contest

Teams of 3 members and an alternate representing 4-H Clubs, Future Farmers of America, and New Farmers of America eligible to compete. Individuals who have had experience in commercial grading of tobacco are not eligible to compete. Teams will be trained and entered by County Farm Agents, Assistant Farm Agents, or Vocational Agriculture Teachers.

The Contest—Will consist of a series of samples of tobacco representative of various tobacco grades. These samples are to be graded (not sorted) according to U. S. Standard Grades by the three members of the team participating.

Object—To improve understanding of growers regarding the characteristics making up the various groups, quality and colors which constitute the Government grades of tobacco; to encourage a more careful study as to how far the grower should go in sorting the crop for the most satisfaction on the market; to emphasize the importance of taking advantage of grading as an aid in marketing the crop. For example, the support price is based on the grade; therefore, it is important for the grower to sort his crop so that tobacco will earn the highest support price possible.

Training—Tobacco growing, sorting and marketing experience, plus a study of "Official Standard Grades for Flue-Cured Tobacco (U. S. Types 11, 12, 13 and 14)" dated August 1936 and "Official Standard Grades for Burley Tobacco (U. S. Type 31)" dated December 1945 will help prepare individuals for participation in this contest.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in EACH CLASS—"1" Fruits and Nuts, "2" Vegetables, and "3" Plants and Flowers—of this department, and separate forms for entries in each other department of the Fair. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

List the Department Letter ("G" for Horticulture Products) and the Class Number ("1" for Fruits or Nuts, "2" for Vegetables, and "3" for Plants or Flowers) for which each entry is made. Also, list the premium and the description of the article, exactly as shown in the Premium List.

If entries are received sufficiently in advance of the Fair to permit mailing, Entry Tags will be forwarded to exhibitors at their home address. Otherwise, these Entry Tags should be picked up at the Entry Department immediately upon arrival on the Fairgrounds. An Entry Tag must be attached to each exhibit before it is presented in the Department for display.

As far as possible, it is urged that all Horticulture Products be brought in and set up by the exhibitor. Where it is not possible, shipments should be made in time to reach the Fairgrounds not later than Monday, October 13, 1952, and should be addressed to: Superintendent, Horticulture Department, N. C. State Fair, P.O. Box 1388, Raleigh, N. C.

Where it is not possible to personally bring the products to the Fair and arrange them for display, the Directors will be glad to arrange the products in the most attractive manner possible. However, they will not pack box, basket or barrel entries for exhibit. Exhibits mailed or shipped to the Fair should be carefully labeled to show the name and address of the exhibitor, and the nature, and class in which entered, of the contents of the package.

The State Fair will furnish PLATES, ONE QUART CONTAINERS, AND TRAYS for exhibits, but not baskets, boxes or barrels. The number of specimens for each PLATE display is specified in the premium list. Standard size trays, 11 ½ x 18 inches inside measurements, and 3 inches deep, will be used. Exhibitors should make a tray of the required dimensions and pack the exhibit to determine the number of specimens required. At least one extra specimen for each plate, and three or four extra specimens for each tray, should be brought or shipped to the Fair to allow for rot and damage in transit.

Fruits and vegetables to be exhibited in plates and trays should be carefully wrapped and packed for shipment or transit to the Fair. Each specimen should be wrapped separately in paper and packed firmly in box or barrel, taking care to avoid bruising. Label each variety plainly and put in paper dividers to keep varieties separated. Do not use hay, fodder, excelsior or any other dusty material in packing.

Quality—Not Quantity

In selecting Horticulture Products for exhibit, choose only those specimens that are of uniformly good quality, form and color, true to type, and free from all insect and fungus blemishes, and free from cuts and bruises. Premiums offered for the best collection of fruits or vegetables will not be awarded for a mere pile or for the greatest number of varieties, **BUT MAINLY ON THE BASIS OF QUALITY.** Do not knock or shake fruit from the tree or vine, but pick each specimen by hand, taking care not to pull out the stem. Products should be exhibited as nearly as possible in their natural state, and no preference will be given in the judging for highly polished fruits or vegetables.

Entries of Commercial Baskets of apples and sweet potatoes should be graded to uniform marketable size, high color, smoothness, trueness to type, freedom from cuts and bruises, and free from insect and fungus blemishes. They should be properly packed and faced in standard bushel baskets.

Entries of "Collections" and under "Any Other Variety" must be correctly named, if possible, by the exhibitor. In the nomenclature of fruits, the names adopted by the American Pomological Society shall rule, and no variety will be accepted that has not been admitted to their catalogue, except in the case of seedlings never before exhibited.

Awards and Judging

No awards will be made for unworthy specimens, where quality is lacking, or where any of the Rules and Regulations governing these exhibits are disregarded. **EXHIBITORS ENTERING PRODUCTS WHICH HAVE BEEN SHOWN BEFORE AT OTHER FAIRS WILL BE PENALIZED BY THE JUDGES.**

No article entered for competition in any class will be permitted to compete for a premium in any other class. **AN EXHIBITOR CANNOT COMPETE FOR MORE THAN ONE PRIZE IN ANY CLASS.**

GREYHOUND

No exhibitor will be allowed to discuss exhibits with the judges, or to interfere in any way while the judges are at work.

Claiming Exhibits

At the time of entry, the exhibitor will be given an Entry Tag Stub which will be used as a "Claim Check" to gain entrance to the Fairgrounds after 4:00 p.m. on Saturday, October 18, 1952, to be ready to claim the exhibit between the hours of 6 p.m. and 10:00 p.m. It is not possible to issue passes to exhibitors in this department, except for these "Claim Checks" good for admittance only after 4:00 p.m. on the closing day of the Fair.

In bringing flowers to the Fair, especially dahlias, they should be carefully packed in boxes without crowding in order to preserve the petals against injury. Damage to petals, especially in the case of dahlias and roses, may affect the score when judging. Flowers should be kept from automobile drafts as much as possible when transporting.

All entries must comply with requirements stated by each class. Each arrangement will be exhibited in container belonging to exhibitor.

MISCELLANEOUS

This class is for the purpose of stimulating new interest. Dish gardens may be arranged on plates, platters, trays or dishes of any reasonable size. They will be judged on the basis of the craftsmanship of the exhibitor, the artistic qualities of the exhibit and the quality of materials used. The exhibit may represent Japanese gardens, landscapes, farms properly planted, homes or any other feature. Plant materials should predominate, but any kind of material can be used. To the extent necessary materials such as mirrors, rocks, ornaments, wood, etc., may be used. It is suggested that the exhibitor limit his exhibit to reasonable size and no exhibit should have any dimension greater than 24 inches.

The foregoing suggestions apply also to terrariums. The type of exhibit desired in this class is much like the dish gardens, except that slightly different materials should be used, the materials being placed inside a glass container covered for the purpose of maintaining moist conditions and plants preferring such moist conditions, such as mosses, ferns, etc., should be used. Credit will be given by the judges to the craftsmanship, the condition of plant materials, the number of kinds in the exhibit, and the general artistic values of same. These exhibits should have unity, variety, propriety, coherence and finish.

Under the entry for meritorious novelty or floral exhibit any plant or flower or other related novelty can be exhibited. Each will be judged first as to its merit or quality in such a class and if considered meritorious by the judges will then be judged in competition with any other meritorious entry.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this Division. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Division.

Entries

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use a separate form for making entries in each department. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

Indicate on the form the total number of animals you will exhibit, including nurse animals, and the total number of stall spaces (four feet wide) or pens (6 x 8 feet in size) you will require, including those to be used for gear, feed and bedding.

List the class number, as indicated in the premium list, for which each entry is made. *Use a separate line for each animal.* Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes, but it is not necessary to name the animals which will make up your group or herd entries until after the judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name (or ear tag number) and registry number of each animal entered, its date of birth, its sex, the names (or ear tag numbers) and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the superintendent.

All cattle and swine over six months of age, and all sheep over three months of age, must be registered with their respective breed association in the name of the bona fide owner who must have owned the animal for at least 30 days prior to the closing date for entries in the particular department (SEE EXCEPTIONS TO THIS RULE FOR GROUP CLASSES ONLY IN SOME DEPARTMENTS).

Fees

Stall or pen fees are required for all entries in the senior and open classes of the Livestock Division. Entries exclusively in the junior livestock shows are not subject to stall or pen fees, and the first three placed animals in each Junior Show class are eligible to compete in the Senior and Open Shows without payment of any fee.

All applications for stall spaces and pens must be noted on the entry form, AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM. Reservations will not be made unless accompanied by the required fee, and REMEMBER; The right is reserved to reject entries received after all available space is taken.

Be sure to indicate on the form the total number of stall spaces or pens you will require, *including those to be used for nurse animals, and for gear, feed and bedding*. Include remittances for these extra stall spaces or pens you will require, as well as for those actually required for the animals you will exhibit in the competitive classes.

The following fees will govern:

Cattle Barns, each stall space.....	\$2.00
Swine Barn, each pen.....	1.00
Sheep Barn, each pen.....	1.00
Pony Barns, each stall.....	1.50

Health Regulations

The health regulations of the Veterinary Division of the N. C. Department of Agriculture will be strictly enforced this year. These regulations are as follows:

DAIRY CATTLE, BEEF CATTLE AND DUAL PURPOSE CATTLE

"An official health certificate shall be issued by an accredited veterinarian and approved by the State Veterinarian of the state of origin on all cattle for exhibition purposes. A copy of the approved health certificate shall be forwarded to the State Veterinarian, N. C. Department of Agriculture, Raleigh, N. C., before the arrival of the animals. The health certificate shall state that no animal in the shipment is infected with or has been recently exposed to any infectious or transmissible disease, and shall contain the names and addresses of the consignor and consignee, with an accurate description or identification of each individual animal.

"In addition to the above regulation, the health status of the individuals shipped and the entire herd of origin, shall be as follows:

"BRUCELLOSIS OR BANG'S DISEASE—(a) Herds officially accredited brucellosis-free or qualified herds in modified accredited brucellosis-free areas, in which all animals in the herd over (6) months of age were negative to an official test for brucellosis within twelve (12) months of entry, and the animals for entry were negative to an official blood test within thirty (30) days of the date of entry.

(b) Herds under Federal-State supervision for the control of brucellosis, in which all animals in the herd over six (6) months of age were negative to an official blood test within three (3) months of entry, and the animals for entry were negative to an official blood test within thirty (30) days of date of entry—such test not to be applied within thirty (30) days of the date of the previous herd test.

"(c) Unvaccinated calves under six (6) months of age will not be required to be blood tested prior to entry, provided they are identified as the progeny and come directly from negative or accredited brucellosis-free herds in accordance with paragraphs (a) and (b).

"(d) Cattle vaccinated under Federal-State supervision with *Brucella Abortus* vaccine between four (4) and eight (8) months of age which originate in herds in accordance with paragraphs (a) and (b) wherein all unvaccinated animals over six (6) months of age, and all vaccinated animals over two (2) years of age are negative to one or more official blood tests, may be exhibited in the State, provided they are negative to an official blood test within thirty (30) days of the date of entry.

"TUBERCULOSIS—Cattle may be exhibited at the North Carolina State Fair provided they are identified as originating in: (a) Tuberculosis-free accredited herds; or (b) qualified negative herds from modified accredited tuberculosis-free areas. If such herds have not passed a negative tuberculin test within twelve (12) months prior to entry, the cattle from these herds to be exhibited in the state shall be tuberculin tested within thirty (30) days prior to entry.

"The health status of the herds of origin, and the individuals exhibited that originate in North Carolina and those that originate in other states are the same."

SWINE

"All swine exhibited must be accompanied by an official health certificate issued by a qualified veterinarian and approved by the State Veterinarian, certifying that such swine are free from any symptoms of a contagious or infectious disease; that they are from premises where no known contagious or infectious disease of swine exists; and that they have been properly inoculated with anti-hog cholera serum alone not more than fifteen (15) days, or with anti-hog cholera serum and virus not less than thirty (30) days, or with crystal violet or tissue vaccine not less than twenty-one (21) days nor more than six (6) months prior to the opening date of the fair."

SHEEP

"All native sheep entered must be in apparently healthy condition. The owner must certify that they are from premises where no known contagious or infectious disease of sheep exists. The right is reserved to reject an entry or to remove same after entered should the State Veterinarian find the animal affected with a communicable or parasitic disease."

Exhibits and Exhibitors

The Fair management will use diligence to insure the safety of livestock entered for exhibition or display, but under no circumstances will it be responsible for loss, injury, theft or damage by fire, lightning, wind, or any other agency, to such livestock on exhibition or display.

All livestock on exhibition must be cared for by the exhibitor. All stalls and pens will be well bedded before the Fair, free of charge. Thereafter, exhibitors will be required to furnish their own bedding. Feed, forage and straw will be on sale at the Fairgrounds at reasonable prices.

The Fair reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals, and excessive leanness, in which condition animals are unfit for exhibition.

No barren animals will be eligible in breeding classes. An affidavit that an animal is a breeder must be furnished on request.

All cattle must be halter-broken. No dairy bull over one year of age will be allowed on the grounds without a ring in his nose and must not be led from his stall except by a staff, rope or chain attached to or leading through the ring. Boars over one year of age must have had their tusks removed.

Exhibitors must keep their animals uncovered between the hours of 9:00 a.m. and 5:00 p.m. each day of the Fair. Premium money will be withheld from exhibitors violating this rule, except in case of sickness of animals or inclement weather, and then only on authorization of the Superintendent.

A great educational feature of the Fair is the exhibitions and parades of approved livestock by breeds and ages. Exhibitors refused for any cause not meeting with the approval of the management to lead out animals for parade will not only forfeit all premiums won, but will be barred from further participation in the Fair, and will be required to remove their stock from the Fairgrounds within six hours after such refusal, and will forfeit all fees paid.

Misrepresentation as to breeding and irregularity in showing will be exposed and any premium won by such exhibitor will be withheld. Certificates of registration must be shown on demand of the Livestock superintendent.

Any artificial means of removing or remedying physical defects or conformation in exhibition animals, such as lifting or filling under the skin, will be considered fraud and deception. All animals giving evidence of such treatment will be barred from exhibition at this Fair, and at all Fairs holding membership in the International Association of Fairs and Expositions.

Exhibitors must keep the space in the rear of their stalls or pens, and the alleyways in the exhibition halls, clear and clean. All litter must be thrown where directed by the Superintendent or Directors.

Animals must be transported to and from the Fairgrounds at the expense of the exhibitor. The Fair management will not pay any charges for express, freight or drayage. To avoid switching charges and delay, rail shipments should be billed as follows: "For Exhibitor, N. C. State Fair, Camp Polk, N. C. % Seaboard Air Line Railroad." Shipments via express or motor transport should be addressed to the exhibitor, or to: Livestock Superintendent, N. C. State Fair, Raleigh, N. C.

Exhibitors are responsible for ascertaining when their stock will be judged. Judging schedules will be posted in the barns and in the judging arenas. Animals must be in the show ring promptly after being called. Exhibitors failing to comply with this rule may have their animals excluded from competition.

Judges and Awards

NO EXHIBITOR MAY RECEIVE MORE THAN TWO PREMIUM MONEYS IN ANY ONE CLASS. However, ribbons will be awarded exactly as the animals are placed by the judge. EXAMPLE: An exhibitor makes three entries in a class, and his animals place "First", "Second" and "Third". He would receive only the first and second premium moneys, but all three ribbons. Then, the owner of the animal placing "Fourth" would receive the third-place premium money and the fourth-place ribbon; and so on down the line.

The decision of the judges will be final, and no appeal will be considered except in case of protest. The rules of the International Association of Fairs and Expositions govern appeals at the North Carolina State Fair. Protests must be in writing and filed with the General Livestock Superintendent by noon of the day following the award, accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained by an impartial Protest Committee appointed by the General Livestock Superintendent.

No unworthy animal will be awarded a premium. Where there are fewer animals shown in the class than the number of premiums offered, the judge may, at his discretion, award a prize or prizes of such grade as the animal or animals deserve.

Where there is only one entry in a class, second premium will be awarded unless in the opinion of the judge the animal is sufficiently meritorious as to justify the full award as provided for.

Herdsmen's Contests

Special prizes will be awarded in contests for herdsmen, shepherds and caretakers of animals in all livestock departments. All herdsmen will automatically be considered entrants and no special entry is required.

The contests will start Tuesday, October 14, 1952 at 9:00 a.m. and will continue through Saturday, October 18, 1952 at 2:00 p.m., at which time the winners will be announced.

The following premiums will be awarded in each livestock department:

<i>First</i>	<i>Second</i>	<i>Third</i>	<i>Fourth</i>	<i>Fifth</i>
\$10.00	\$8.00	\$6.00	\$5.00	\$4.00

Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

Indicate on the form the total number of animals you will exhibit, including nurse cows, and the total number of stall spaces (four feet wide) you will require, including those required for gear, feed and bedding. For entries in the senior classes, payment of \$2.00 fee for each stall space requested must accompany your application. No fee is required for entries exclusively in the Junior Show and the first three placed animals in each Junior class are eligible to compete in the Senior Show without payment of a fee.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes, but it is not necessary to name the animals which make up your group or herd entries until after the judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name and registry number of each animal entered, its date of birth, its sex, the names and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the Superintendent.

All animals over six months of age must be registered with their respective breed association in the name of the bona fide owner, who must have owned the animal for at least 30 days prior to October 1, 1952, except that in the "Get-of-Sire" and "Produce of Dam" classes progeny of bull or cow may be shown by one or more exhibitors.

In breeding classes, to be eligible to show, all cows 42 months of age or older must have produced a calf carried to maturity within the last 18 months prior to the opening date of the Fair. Every bull 36 months of age or older must have had dropped to his service during the last 12 months prior to the opening date of the Fair a living calf. In case the exhibitor, upon demand of the superintendent, cannot verify by affidavit or registration certificate the facts of the above requirement, the animal will be excluded from competition.

In making awards in the breeding classes, the judge will lay much stress on the evidence of superior breeding qualities. When animals show evidence of being "overdone" (overloaded with flesh) they will be discriminated against accordingly.

Mail entries, make checks for stall fees payable to, and address requests for additional application forms and further information, to: MANAGER, N. C. STATE FAIR, P. O. Box 1388, Raleigh, N. C.

Health Regulations

Health regulations of the Veterinary Division of the N. C. Department of Agriculture will be strictly enforced. **BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION"** before entering or competing in this department.

Every precaution should be taken on the part of the exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for the transportation of animals are considered "exposed" premises under the health regulations of the Veterinary Division.

ANIMALS MUST BE IN PLACE: Monday, October 13, 1952, at 6:00 p.m.

JUDGING STARTS: Tuesday, October 14, 1952, at 9:00 a.m. (Order of Judging will be posted in cattle barns and in judging arena).

RELEASE OF EXHIBITS: Saturday, October 18, 1952, at 4:00 p.m., and **POSITIVELY NOT BEFORE THAT DATE AND TIME WITHOUT APPROVAL OF THE DEPARTMENT SUPERINTENDENT AND DIRECTORS**, and then only "for good cause".

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Livestock Division, and the General Rules and Regulations of the Fair, will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

Indicate on the form the total number of animals you will exhibit, including nurse cows, and the total number of stall spaces (four feet wide) you will require, including those you will need for gear, feed and bedding. Payment of a fee of \$2.00 for each stall space requested must accompany your application.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the group classes, but it is not necessary to name the animals which will make up your group entries until after the judging of the individual classes. Entries in the group classes must have previously been exhibited in the individual classes.

List, also, on the application form the name and registry number of each animal entered, its date of birth, its sex, the names and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the Superintendent.

All animals over six months of age must be registered with their respective breed association in the name of the bona fide owner, who must have owned the animal for at least 30 days prior to October 1, 1952 (except the Produce of Dam class in the Brahman show where the entry may be made up by one or more exhibitors). No exhibitor may win more than two premium moneys in any one class.

Health regulations of the Veterinary Division of the N. C. Department of Agriculture will be strictly enforced. **BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION"** before entering or competing in this department.

Every precaution should be taken on the part of exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for transportation of animals are considered "exposed premises" under the health regulations of the Veterinary Division.

First place winners in individual classes are eligible to compete for Championship awards. Other first place winners in individual classes, plus the second place winner in the individual class which produced the Champion, will be eligible to compete for Reserve Championship awards.

EDUCATIONAL EXHIBIT

An exhibit, showing important developments in the Beef Cattle phase of North Carolina's growing livestock industry, will be arranged and presented by the Animal Industry Department of North Carolina State College, with the advice and cooperation of the Livestock Advisory Board and the State Fair management. For this purpose, the following award is made to help defray the costs of arranging and presenting this exhibit:

K-1\$250.00

HERDSMEN'S CONTEST

	1st	2nd	3rd	4th	5th
K-2	\$10.00	\$8.00	\$6.00	\$5.00	\$4.00

All herdsmen in charge of beef cattle will automatically be considered entrants in this contest, designed to promote neatness, courtesy, attention to show requirements, and all-around efficiency on the part of personnel in charge of animals on exhibit. The contest will start Tuesday, October 14, 1952, at 9:00 a.m., and will continue through Saturday, October 18, 1952, at 2:00 p.m., at which time the winners will be announced. The score card which will serve as the basis for the judges making their decision will be found under the General Rules and Regulations of the Livestock Division.

NORTH CAROLINA "SPECIAL" PREMIUMS

To encourage North Carolina breeders and exhibitors, the State Fair guarantees that the three best North Carolina-owned entries in EACH CLASS (exclusive of champions) will receive at least the following amounts in the Hereford and Aberdeen-Angus competition "open to the world" (the three best North Carolina-owned Shorthorn and Brahman entries in each class will automatically receive more than the amounts guaranteed, since these classes are limited to North Carolina exhibitors).

	1st	2nd	3rd
K-3	\$15.00	\$10.00	\$5.00

Also, special "North Carolina Champion" ribbons will be awarded the best North Carolina-owned Hereford and Aberdeen-Angus entry in each of the Championship classes.

North Carolina exhibitors who win as much in each "open" class as the guarantee specified for the respective entry will not receive any additional premium money. EXAMPLE: If the best North Carolina-owned entry places first, second or third in a class, no additional premium money would be paid. Likewise, if the second best North Carolina-owned entry places sixth or higher in a class, and if the third best North Carolina-owned entry "gets in the money" listed in the class, no additional premium would be paid.

On the other hand, if any one or all three of the best North Carolina-owned entries in an "open" class does not win as much as the guarantee specified for the respective entry, the premiums they have won will be raised accordingly. EXAMPLE: If the best North Carolina-owned entry in a class places high enough to win only \$8.00, that premium would be increased by \$7.00 to make it the guaranteed \$15.00; etc.

Likewise, if any one or all three of the best North Carolina-owned entries does not place as high in the class as the last place indicated in the premium list, the premium list would be extended accordingly.

DOUBLE-STANDARD POLLED HEREFORDS

We have been breeding and improving Polled Hereford cattle for forty-six years. The herd represents as good bloodlines as there is in Hereford history. The individuals speak for themselves, their ancestry and their progeny.

Our senior herd bull, Valentine Domino, is a fine specimen, and double line-bred from Plato Domino 1st. His calves do him and his breeding credit. Our junior herd bull, Plato Salisbury, is a grandson of Plato Domino 43rd, and has the bone, scale and other qualities of a real herd bull. A promising group of calves speak to his honor. Our original Double-Standard Polled Hereford bull, Salisbury, was of Anxiety 4th breeding. He was an outstanding individual, and was known as the Premier Polled Hereford bull of the South.

The blood of Anxiety 4th, Fairfax 16th, Anxiety Mischief, Bright Stanway, and other noted sires and dams, as well as the blood of the herd bulls mentioned above, flows through our cow-herd.

We would like to have you see our herd, whether or not you are interested in buying. If you want to buy, you will find our prices reasonable. We are located in Rowan County on N. C. Highway 801. We suggest that you telephone us the night before you come, reversing the charges to our telephone, which is 2507 Cleveland, handled by the Salisbury operator.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

Indicate on the form the total number of animals you will exhibit, including nurse cows, and the total number of stall spaces (four feet wide) you will require, including those to be used for gear, feed and bedding. List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes, but it is not necessary to name the animals which will make up your group or herd entries until after the judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

RULES AND REGULATIONS

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THE BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated here for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments of the FAIR. *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

In filling out the form, write "Poultry" or the department letter "P" in the first column headed: "Dept." In the next column headed: "Class No." write the letter "A" if your bird is entered in the "Special Classification" and the letter "B" if entered in the "Regular Classification." In the third column, headed "Premium List No." write in the number shown for the sex and age of the breed and variety you are exhibiting. For instance, if you were entering a Barred Plymouth Rock pullet in the Special American Class, you would enter the number "4" as indicated in the premium list under the column headed "Premium List No."

In the wide column headed "Description of Article" write the breed and variety of your bird exactly as they appear in the premium list. Next enter age and sex (Cock, Hen, Cockerel or Pullet). In the column headed: "Leg Band No." BE SURE TO LIST THIS EXACTLY AS THE BIRD WILL BE BANDED WHEN SHIPPED OR BROUGHT TO THE FAIR. Important: LIST ONLY ONE BIRD ON EACH LINE OF THE APPLICATION FORM.

An entry fee of 25c for each bird to be exhibited MUST ACCOMPANY YOUR APPLICATION FORM. Space cannot be reserved until receipt of this entry fee, and, remember: The right is reserved to reject entries after all available space is taken.

All birds must be entered in the name of the bona fide owner, who must have owned the birds for at least 60 days before the closing date for entries (October 6, 1952). No carload or professional string-man exhibit will be allowed to compete, except those who are owners and breeders of the birds they exhibit, and maintain a breeding establishment sufficient to raise the birds so exhibited.

Fowl may be shipped or brought to the Fairgrounds. Shipments MUST BE PREPAID and should be addressed to: POULTRY DEPARTMENT, N. C. STATE FAIR, RALEIGH, N. C. Each shipping coop should be plainly marked with: (1) The name and return address of the owner; (2) the breed, variety and number of birds in each coop; (3) the leg band number of each bird in the coop (WHICH MUST CORRESPOND WITH THE NUMBERS LISTED ON THE ENTRY FORM).

Shipping instructions for return of birds to owner, or re-shipment, should be given on the entry form and/or in a separate letter to: Director, Poultry Department, N. C. State Fair, P.O. Box 1388, Raleigh. Return shipments, or re-shipments will be made with transportation charges COLLECT.

All birds are entered at the risk of the owner, and the State Fair management will not be responsible for any loss or damage, but will exercise all possible vigilance in the care of exhibits. No one will be allowed to handle fowl on display except the owners and officials of the show, without permission of the directors. The right is reserved to coop two or more birds of the same variety, and belonging to the same person, together if absolutely necessary. In no case will two male birds be placed in the same coop.

The American Standard of Perfection (revised edition) will be the guide of the judges in awarding premiums. The premiums will be paid only on standard varieties listed in this catalog, and then only to worthy specimens. To win first premium, a bird must score at least 88 points; for second premium, 87 points. For less than 87 points, third and fourth prizes will be awarded.

The decision of the judges will be final. Protest will be entertained only when addressed to the Superintendent of the Poultry Division by noon of the day following the award, and then only when accompanied by a protest fee of \$5.00. This fee will be forfeited unless protest is sustained by a majority of the judging staff and officials of the show.

After the judging, the management will endeavor to place on the coops any advertising material supplied by the exhibitor for his coop.

Mail entries, make checks for entry fees payable to, and address requests for additional entry application forms and further information, to: MANAGER, N. C. STATE FAIR, P.O. Box 1388, Raleigh, N. C.

HEALTH REGULATIONS

The health regulations of the Veterinary Division of the N. C. Department of Agriculture will be enforced. They are:

"All poultry exhibited at the North Carolina State Fair shall have been owned by the exhibitor for sixty (60) days or more. Exhibitors will execute the "Poultry Exhibitor Certificate" in the back of this book, certifying that the birds are free from symptoms of infectious or communicable diseases.

No." write the number shown for the age and sex of the color you are exhibiting. EXAMPLE: If you were entering an old hen, Light Bronze, Archangel pigeon, you would write the "Class No." as "1" and the "Premium List No." as "6". (SEE PREMIUM LIST.)

In the wide column headed: "Description of Article" write the breed and color of your bird exactly as they appear in the premium list. In the columns on the right enter the "Age and Sex" and "Leg Band No." of your bird. BE SURE TO ENTER THIS EXACTLY AS THE BIRD WILL BE BANDED WHEN SHIPPED OR BROUGHT TO THE FAIR. All birds must be banded. Old birds may be seamless or open banded. All young birds must be 1952 seamless banded correctly. Bands of any reputable banding organization will be recognized.

IMPORTANT! List only one bird on each line of the application form. If additional forms are required, they will be supplied upon request.

An entry fee of 25 cents for each bird to be exhibited MUST ACCOMPANY YOUR APPLICATION FORM. Space cannot be reserved until receipt of this entry fee, and remember: The right is reserved to reject entries after all available cooping space is taken.

All birds must be entered in the name of the bona fide owner, who must have owned the birds for at least 60 days prior to the closing date for entries (October 6, 1952). No carload or professional string-man exhibitors will be allowed to compete; only those who are owners and breeders of the birds they exhibit, and maintain a breeding establishment sufficient to raise the birds so exhibited.

Birds may be shipped or brought to the Fairgrounds. Shipments MUST BE PREPAID and should be addressed to: PIGEON DEPARTMENT, N. C. STATE FAIR, RALEIGH, N. C. Each shipping coop should be plainly marked with: (1) The name and return address of the owner; (2) the breed, color and number of birds in each coop; (3) the leg band number of each bird in the coop (WHICH MUST CORRESPOND WITH THE NUMBERS LISTED ON THE ENTRY FORM).

Shipping instructions for return of birds to owner, or re-shipment, should be given on the entry form and/or in a separate letter to: Director, Pigeon Department, N. C. State Fair, P. O. Box 1388, Raleigh, N. C. Return shipments, or re-shipments will be made with transportation charges COLLECT.

All birds are entered at the risk of the owner, and the State Fair management will not be responsible for any loss or damage, but will exercise all possible vigilance in the care of exhibits. No one will be allowed to handle birds on display except the owners and officials of the show, without permission of the director. The right is reserved to coop two or more birds of the same breed, and belonging to the same person, together if absolutely necessary. In no case will two male birds be placed in the same coop.

All birds, of all breeds, will be judged by comparison. The right is reserved for judge to disqualify unworthy specimens. All birds must be shown in their natural condition. The decision of the judge will be final. Protest will be entertained only when addressed to the Superintendent of the Poultry Division by noon of the day following the award, and then only when accompanied by a protest fee of \$5.00. This fee will be forfeited unless protest is sustained by a Protest Committee appointed by the Division Superintendent.

Exhibitors and their agents will not be permitted to converse, or otherwise interfere with the judge while the awards are being made. Failure to conform to this, and other rules of the Department will exclude the exhibitor from the show, and all premiums previously won will be forfeited.

After the judging the management will endeavor to place on the coops any advertising material supplied by the exhibitor for his coop.

Mail entries, make checks for entry fees payable to, and address requests for additional entry application forms and further information, to: MANAGER, N. C. STATE FAIR, P. O. Box 1388, Raleigh, N. C.

Be sure to also give the other information requested on the application form.

Rabbits entered in the Fur and Wool Classes must also be entered in the individual classes.

No exhibitor will be permitted to make more than three entries in any one class.

Exhibits and Judging

The Fair management will use diligence to insure the safety of stock, and will have qualified attendants on duty day and night to feed, water, and care for the animals, but under no circumstances will it be responsible for loss, injury, theft, or damage by fire, lightning, wind, or any other such agency.

Stock arriving sick, or becoming ill at the show, will be removed and placed under the care of a veterinarian.

Shipments of stock must be prepaid. The Fair management will not be responsible for any shipping, drayage or other transportation charges to the Fair. Shipments should be addressed to: DIRECTOR, RABBIT DEPARTMENT, N. C. STATE FAIR, RALEIGH, N. C. Return shipments will be made collect by the Fair, without drayage charge, if directed by the exhibitor on his application form. Shipping crates should be strongly constructed and have the owner's name and address plainly and permanently marked thereon. The Fair management will not be responsible for any loss or damage.

No person will be allowed to handle his or her exhibits, or any other exhibits, without permission of the department directors. Any exhibitor interfering with, attempting to influence, criticizing, or otherwise causing delay and confusion during the judging, will be barred from further competition and will forfeit all awards and premiums previously won. The judging will be done within an enclosed arena and only officials of the show and their designated helpers will be permitted therein.

Each animal must have a permanent ear mark, which must be listed on the entry form. No adhesive tape or pencil marks will be accepted.

Four specimens must be judged in each class before premium is payable for Best of Breed and Best Opposite Sex.

The right is reserved to substitute another judge in case the judge listed is unable to officiate.

As indicated by the premium list, juniors (under six months), intermediates (6-8 months) and seniors (over 8 months) will be judged, by sex, in each breed of the individual classes, except in the small breeds in which the American Rabbit and Cavy Breeders Association does not recognize an intermediate class. In addition, there will be competition for pre-junior bucks and does (under 3 months) among: American Giant Chinchillas, New Zealand Reds and Whites, Checkered Giants, Champagne DeArgents, and Flemish Giants. PROGRAM FEATURES AND SPECIAL EXHIBITS

Department "Y"—FIFTH ANNUAL STATE FAIR FOLK FESTIVAL.

Department "Z"—FARM MACHINERY PARADE.

Department "AA"—WILDLIFE EXHIBIT.

Department "BB"—STATE AND FEDERAL AGENCY EXHIBITS.

GENERAL SUPERINTENDENT:

Mr. J. M. CHAMBERS, *Director of Parks and Recreation, City of Raleigh*

FIFTH ANNUAL STATE FAIR FOLK FESTIVAL Department "Y"

Director:

BASCOM LAMAR LUNSFORD, *South Turkey Creek, Leicester, N. C.*

In setting up the North Carolina State Fair Folk Festival in 1948 our sponsors had a two-fold purpose in mind:

First: To provide additional high type and wholesome entertainment for the fair visitors, especially those of our own state and their children who have a material and cultural interest in the Fair proper, and

Second: To encourage and foster efforts among the people of the state to preserve and develop our rich heritage of native folk arts in the forms of balladry, folk song, Gospel singing, traditional folk games and dances, and string music: to the end that the benefits derived from seeing this material presented at its best may be extended to other interested recreational and social groups throughout the state who prize its value.

Daily Program

To carry out the purposes above set forth, three separate programs a day for each day of the Fair will be conducted. Programs start at 11:00 a.m., 2:00 p.m., 5:30 p.m. at which time each group or individual appearing on the program is to be judged. They are expected also to appear again the same day, and they may appear again during the Fair week if time will permit.

Prizes and Trophies

One thousand dollars (\$1,000) has been set aside for trophies and cash prizes to be awarded as follows:

Y1—Best Church Church Choir	Trophy and \$100
Second Best Church Choir	\$ 75
Y2—Best Gospel Quartette	Trophy and \$ 75

Y9—Best Novelty Number	Trophy and \$ 25
Second Best Novelty Number	\$ 20

Judges

Judges for these contests are chosen who are well versed in this type of Folk material and who understand that we are making no effort to standardize the various forms of folk expression. The effectiveness, the entertainment appeal, the folk value of the selection, the grace and manner of execution, skill, voice, harmony; all are to be considered by the judges who will use their own methods in arriving at their decisions, keeping these forms as close to the people as possible.

Festival Badges

All participants are urged to communicate with the Festival Director well in advance of the opening of the Fair in order that time can be arranged for their appearance and that Festival badges or passes may be issued them for the Fair week. It is our wish that they attend several days of the Fair to enjoy the Festival and to appear on the program again if they desire to help entertain our Festival audiences and to share in the fellowship of this annual occasion.
